

Annual Membership & Volunteer Drive

The Donna O'Neill
Land Conservancy

2010

RENEW OR JOIN!

Your membership enables *The Conservancy* to provide stewardship for our 1200 acre reserve. Besides monitoring the health of the reserve, we also offer environmentally themed recreation and educational opportunities to keep you involved in your local wildlands. In 2009, several thousand patrons attended *Conservancy* hikes, a mushroom hunt, a butterfly count, astronomy nights, bird walks, and more.

Members receive FREE admission to most *Conservancy* events. Act early on a New Year's Resolution to join us in 2010!

SPONSOR-A-SCHOOL!

In addition to renewing your membership, consider becoming a **Sponsor-A-School** donor! With help from **Sponsor-A-School**, *The Conservancy* provided field trips and school assemblies for nearly 1000 students during the past academic year.

The Conservancy recently won a field trip development grant from *The Orange County Community Foundation*. We need your help raising an additional \$5000 in matching funds. Educate the next generation of *Conservancy* supporters! For more information, see enclosed form or contact us at <staff@theconservancy.org>.

VOLUNTEER!

In 2009, volunteers led *Conservancy* walks and hikes, trained to become South County firewatch observers, lent their expertise and telescopes to Astronomy Night, and helped with office work such as mailer assembly. Scout volunteers refinished amphitheater seating and installed signs and a new footbridge. Other volunteers donated their time to keep visitor trails well groomed.

Consider joining this dynamic group of *Conservancy* supporters! *The Conservancy* offers varied opportunities to suit your needs. For more information, see enclosed form.

CONSERVANCY MISSION

The Donna O'Neill Land Conservancy is a 501(c)(3) non-profit corporation originally established in 1990. *The Conservancy* provides stewardship for a 1200 acre south Orange County wilderness reserve located in the coastal foothills just east of San Juan Capistrano. Our mission is to create awareness of the rich natural and ecological resources of the San Mateo Watershed by providing opportunities for environmental education, biological research, and sensitive recreational access to *The Conservancy*.

UPCOMING EVENTS

NOVEMBER 2009

7	CPPF Nature Talk*	10:00–11:00a
14	Trail Clearing & Weeding	8:00–11:30a

**Conservancy Trustee

Sponsor-A-School

Conservancy Field Trip Programs:

- Unique, accessible location
- Experienced, enthusiastic staff
- Hands-on environmental learning
- Support California Science Standards
- Programs highly rated by past participants

Ensure environmentally responsible citizens of tomorrow
by sponsoring a school field trip to The Conservancy today!

- Field Trip 40 students \$1000*
- Field Trip Bus only \$350
- Field Trip Assembly \$150

*includes bus & assembly

- Use donation where most needed.

- Field trip 10 students \$120**
- Field trip 5 students \$60**
- Other Sponsor-A-School \$ _____

- If possible, use for District or School specified below.

District/School/City _____

**Donations for less than 40 students will be aggregated to underwrite a full class and/or grade level.

Make check payable to "TDOLC" & mail to TDOLC, P.O. Box 802, San Juan Capistrano, CA 92693
For questions or credit card donations, please contact us at <staff@theconservancy.org> or 949-489-9778.

Donations tax-deductible – Tax ID 33-0443790.

Volunteer

Donate Your Time and/or Expertise!

- Check to learn more about specific volunteer opportunities

- Trail clearing & weeding
- Firewatch volunteer
- Backup program staffing & sign-in
- Office Support
- Children's naturalist
- Other tasks/skills for which
you'd like to volunteer (specify):

Please provide name, email & phone so we can contact you!
